

**ROBOTICS IS THE FUTURE,
AND THE FUTURE STARTS WITH YOU!**

We thank

Alreem Khalid alabdouli

for joining the robolution and coming 3rd place!

With your participation in the **WRO UAE National Robot Olympiad 2021** and its theme **“PowerBots - The Future of Energy”**, you exhibited your creativity and skills in designing, building and programming a robot that is capable of performing a variety of challenges.

We congratulate you and look forward to your future solutions for real-life problems!
